WELCOME

Thank you for joining us at the Edinburgh Winter Run 5KM Running Festival.

Please remember to wear appropriate clothing for the given conditions on the day, including a waterproof top if rain is forecast. It's January, in Scotland, it could be a cold one!

MOVE TO THE MUSIC

We're bringing the carnival atmosphere to Edinburgh Winter Run. Keep an ear out for our samba band, steel drum band, and Red Bull DJ Truck. They'll be stationed around the 5k course so give them a wave and a boogie as you shimmy on by.

RUN NUMBER AND TIMING CHIP

Please collect your race pack at the Athlete Registration tent from 8.30 am on race day (location on next page). Your race pack will include your run number and safety pins for you to secure to your clothing. Only you must wear your number on race day. Don't swap, copy or change run numbers. Your timing chip is attached to the back of your number, do not remove or cover the chip as it could interfere with the accuracy of your time. The integrated run number chip will automatically record your time.

Your Race number includes a tear off baggage label, if you intend to leave a bag in the store please detach this label and fix it securely to your bag before leaving it with our volunteers.

Don't forget to complete the reverse of your run number with your Emergency Contact details and any Medical conditions we might need to know about. Once you've filled in the back of your run number and attached it to your front, you are good to go. You can go straight to the start assembly area.

Race results will be available from [Thistle Timing Results](#) after your event and images will be available via social media (accounts below)

EDINBURGH WINTER RUN 5KM

At the start please position yourself according to speed, if you are fast make your way to the front, if you are steady go in the middle and if you may be walking or walk/running the event please start at the rear. Wherever you start in the pack please be aware of other runners and stick to the left hand side of the road to allow runners through who may want to pass.

If you require toilet facilities please use them before you enter the assembly area, there are no facilities beyond this point. Toilets are located in the Event village, (see site plan on previous page). The facilities will be busy before and after the run, so please allow plenty of time.

Join us before your wave for a mass warm up to music, this will take place in the start area to help get you ready for your run.

Family and friends will be able to wait for runners at the Finish on Queens Drive. Please don't stop immediately after you cross the line, you will have to walk a short distance to exit the course. You will receive your event memento, and water to rehydrate at the finish.

Medical facilities will be available near to the start and finish line and staff will be positioned around the course should you require assistance. Please contact a medic or steward if you need help at any time.

The 5KM route can be found on our [website](#).

EDINBURGH WINTER RUN TODDLER DASH

Our Toddler Dash is aimed at those with the littlest legs who want to join in the fun. Remember each toddler gets two free adult run numbers so adults can join in the fun too!

They will complete a single dash from the end of the finish straight back under the finish gantry. All children will receive a medal for taking part to mark their achievement. The Toddler dash route can be found on our [website](#).

EDINBURGH WINTER RUN FAMILY MILE

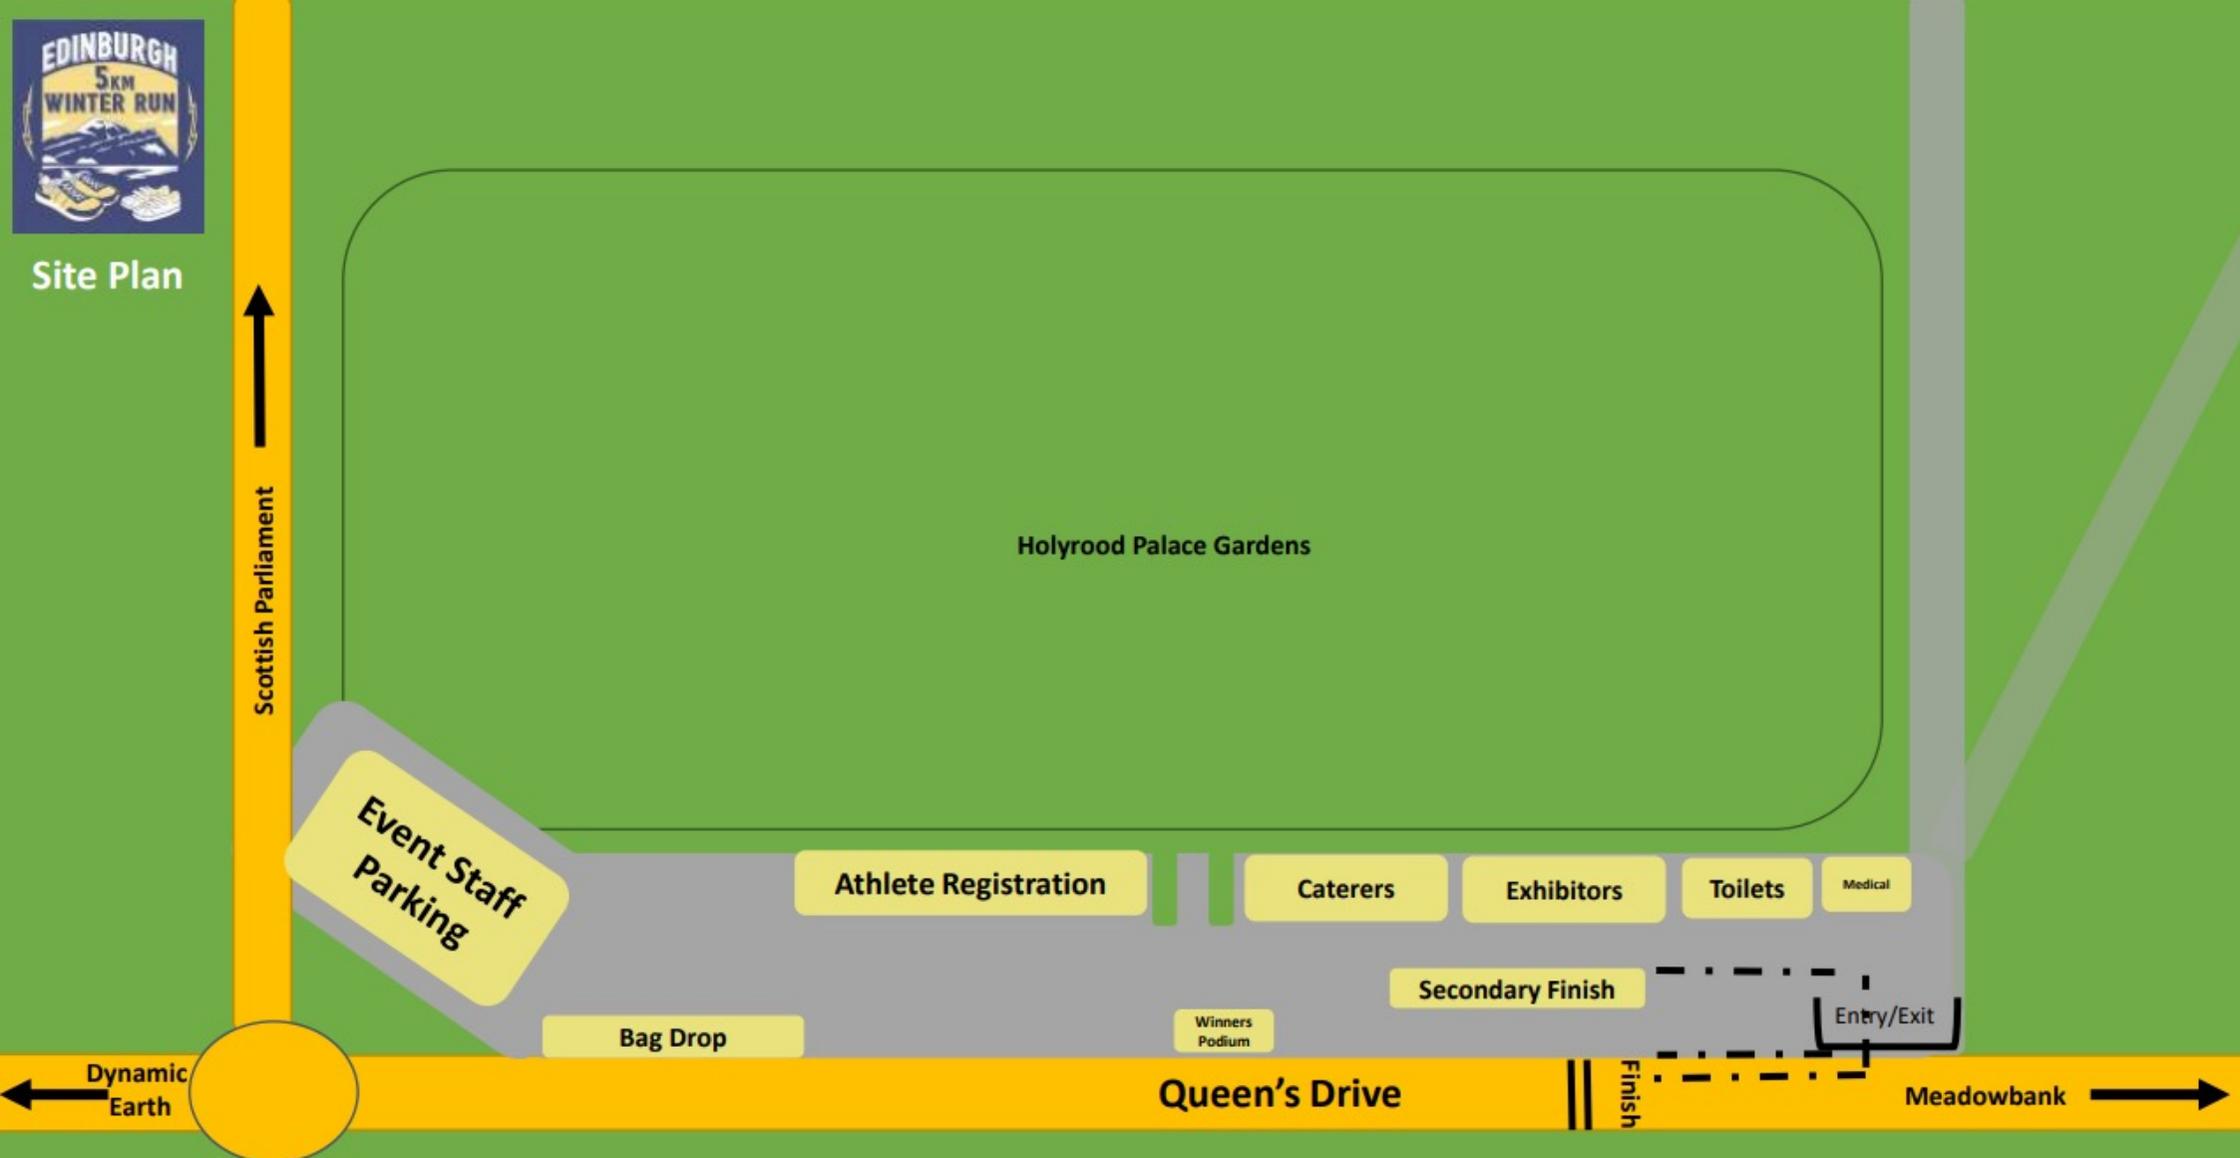

There's really no pressure to set amazingly fast times or even run the whole way. The Family Mile is designed for runners of all ages and for families to enjoy together.

The family mile route can be found on our [website](#).

EVENT VILLAGE

There will be no changing facilities available on race day.

We will have portable toilets, food and drinks vendors ([Fonab Farm Foods](#) and [James' Speciality Coffee Bar](#)) and sports brands ([Loomi Life](#) and [Big Bobble Hats](#)) exhibiting within the Sports Village during the event.
